Book Sale: Oct. book sale sported some positive changes...

Friend's had a reception with an award ceremony...Recipients of the award were Melanie Brown, Bob Bowman and Donna Barr.

Prices were kept constant thru the sale with Friend's getting 50% off thru-out, giving motivation to join friends and several did... the bag sale was \$5 for everyone..A donation jar was introduced and proved to be profitable...

New guide sheets for volunteers...taxable items had envelopes and tally sheets and seemed to work better..Lay out changes were made..Large print books near window, Teen books on shelves, children books in crates...all seemed favorable.. Let's donate Danielle Steele books to nursing home, hospital, SLPC, renewal house, little library??

22 members volunteered for sale, much appreciated...Sale is manned 20 hours with 5-6 hours for set up and clean up...

Book Club Convention successful: 28 plus in attendance, trivia, food, sharing, all were a lot of fun...rec'd a few TY notes, and many thx via internet...

Nov. 2nd 2019 will be next one...Be sure all libraries are notified, have name tags for people and food

Election Ballot List: No new people interested in position, carrying on with Friend's Board as is. *Motion:Tom 2nd Jo-Ellen*
